Celebrate CAMP's Milestones

* The past year has been monumental for CAMP, achieving the exceptional milestone of performing 300,000 spay/neuter surgeries since opening in 2007

* CAMP was honored with a groundbreaking \$1 million grant kicking off our capital campaign from Michelson Found Animals via the Robert & Erika Brunson Fund in April 2024

By becoming an inaugural sponsor of THE PET GALA, your impact will be felt for years to come. Providing equitable access to veterinary care and expanding veterinary training in Los Angeles means giving thousands of animals a second chance at life, health, and happiness.

It means empowering dedicated veterinary professionals with the resources and knowledge to deliver top-notch care to pets in historically excluded communities.
